

## Apologies

We at Mid Hants apologise for the absence of our seasonal newsletter. We have been so busy we have not had the time to create them.

But now with the hiring of new staff we are able to keep you up to date on the news within the company.

As a token of our appreciation we are randomly sending out our morning packs; Tea, Coffee, Sugar and Biscuits.

This is a reward for long serving continuous customers and also customers who have left a positive impact on us.

The Mid Hants Facebook and Twitter will also be a lot more active now as well. The majority of the posts will highlight and feature;

- Upcoming deals and promotions.
- News within Mid Hants and the agricultural industry.
- Trade shows and events.
- Brand new products.

## Staff News

### Welcome to the Mid Hants team...

Sam Fox – Sam will be assisting the transport team in allocating jobs, sending loads to 3<sup>rd</sup> party hauliers, texting customers and drivers with details of their deliveries and general administration.

Owen Hampton- Owen has been working within computer sales for a year and has been brought in to Mid Hants with the responsibility for the maintenance of the website and social media pages, writing of the news letters etc.

### Saying goodbye to...

Joanna Banu & Stefania Serban are sadly leaving Mid Hants on the 23<sup>rd</sup> of August after 4 years of service, both are returning home to Romania. We would like to thank them for these four years of hard work and dedication and we wish them good luck on their future endeavours.

## Website and Social Media

You might have spotted that our website has gone through a few updates already. This is a part of Owen's role to update and maintain the Mid Hants website and optimise for both desktop and mobile phone users. In pursuit of better company-customer communication we have also created is our brand new dedicated website news page. This will feature information of the comings and goings within Mid Hants.

We at Mid Hants Ltd can provide you with a new dredged marine sand from our unloading facilities in Yelland in North Devon. We currently have up to 45,000 tonnes in stock to be used for bedding sand and other uses. To discuss your individual specification and needs please call a member of our sales team on 01256 861016.
